

Focus On Energy
New Construction BUILDER
Cash-Back Reward Eligibility Summary
Version 1 January 1, 2009 to December 31, 2009

Only Wisconsin residential customers of participating Wisconsin utilities are eligible for rewards. Customers of some Wisconsin Electric cooperative or municipal utilities may not be eligible. Rewards apply to single family, modular single family, duplex or townhouse (per individual unit). All rewards are based on receipt of information from the consultant. Call (800) 762-7077 for more information on utility participation requirement per technology/reward type. All rewards will be paid out up to one year past the current Focus on Energy contract year.
